Dear, David;

I would like to personally thank you for your outstanding work you have demonstrated in the past few months with the restaurant recycling project, your professionalism when calling the restaurants is to be commended. You have been faced with many challenges and sometimes difficult individuals, yet you persevere, and demonstrate a professional image of yourself and the Department.

You take ownership of assignments and grant management, and demonstrate excellence and project management from project inception to project completion.

Duly noted, is the professional image in appearance as well as communicating to your "audience", by far, this has been a well received, positively addressed personal change for you.

David, thank you for your continued hard work and dedication to the Solid Waste Management Department and to the Public Utilities Division. It is employees such as you that make our program so successful.

Sincerely,

Daniel R. Rodriguez, MBA, CFM
